## Attention Competitors

All organizers of competitions recognized by The American Driving Society, Inc. (ADS) listed in this Omnibus have agreed to conduct their competition in accordance with the rules, regulations and directives of the ADS.

Any competitors participating in ADS-recognized Combined Driving Events, Pleasure Driving Shows, or Recreational Drives listed in this Omnibus must be thoroughly familiar with the current rules of the ADS and any other organization (such as US Equestrian [USE] and Federation Equestre International [FEI]) by which the competition or drive is recognized. Every class covered by the rules and specifications of the current ADS Rulebook will be conducted and judged in accordance therewith. It is the responsibility of the competitor to know whether or not a class is ADS-recognized, not ADS-recognized, USE-licensed, or FEI-sanctioned.

All ADS-recognized, USE-licensed, or FEI-sanctioned events will be covered by the rules and specification of their respective rulebooks. Failure to abide by the rules can result in elimination. As is printed in the ADS Rulebook (AC-4.3), information published in the Omnibus will take priority over information in the Prize List in the case of conflicting information.

Organizers reserve the right to limit entries, refuse an entry without stating a reason, to cancel, combine or divide a class, or alter the proposed time schedule or officials

if necessary. Organizers may refuse to accept an entry that is not completely and correctly filled out, including all necessary health papers, signatures, fees, copies of membership cards, etc. Entry forms are included with the Omnibus and are available for download on the ADS web site ([americandrivingsociety.org](http://americandrivingsociety.org)). Please make sure to use the correct entry form!

## ADS Membership

In order to participate in any of the ADS recognized competitions at any level listed in this Omnibus, competitors (drivers only) must be current members of the ADS or pay a non-member fee. Canadian drivers who compete in Canada at ADS recognized competitions are not required to pay the non-member fee provided they hold a valid PEF Membership and the competition is sanctioned by Equine Canada.

This Omnibus is current as of its printing on October 15, 2018. For the most current information and additional info from event organizers, see the online Omnibus at: <https://americandrivingsociety.org/Events-Resources/Omnibus>.

The Omnibus is published twice yearly by the American Driving Society, Inc., P.O. Box 278, Cross Plains, Wisconsin 53528 and is provided to all members of the ADS as a membership service.

# Golf Carts and ATVs

According to Equisure, the company that insures the American Driving Society, Inc., more claims are made each year because of accidents relating to golf carts and ATVs than horses and carriages. We can prevent most of these accidents by using common sense.

Please follow these simple rules:

- Do not allow unlicensed drivers to operate golf carts or ATVs.
- Drive it only on the track of the course or where allowed by the competition. Remember that competitions are often held on private property and that golf carts and ATVs can get stuck on wet ground.
- Don't overload the golf cart or ATV with too many people. This is not only unsafe, but is probably not good for the cart either.
